GREGORY H. WOODS, United States District Judge:

On January 26, 2023, Plaintiff filed a proposed order to show cause for default judgment and related materials. *See* Dkt. Nos. 54-56. In support of that application, Plaintiff submitted a declaration by Plaintiff's counsel and attached calculations for some, but not all, of the requested damages. *See* Dkt. No. 55 (Aff. Of Lina M. Stillman); Dkt. No. 55-1 (Damages Calculations). Plaintiff also has not submitted any calculation of prejudgment interest. In addition, Plaintiff has not submitted evidence in support of Plaintiff's calculations, such as a declaration from Plaintiff attesting to the number of hours that Plaintiff worked during each pay period and the amount that Plaintiff was paid.

The Court expects Plaintiff to submit any supplemental declarations including calculations of the total damages claimed and of prejudgment interest, as well as evidence supporting these calculations, by no later than February 6, 2023. To the extent Plaintiff submits additional calculations, Plaintiff should do so in an Excel spreadsheet and email the native file to Chambers.
